Dermal Filler Procedure

Dermal Fillers \$550-\$850

Luscious Lips from \$550

Volumised Cheeks from \$750

PRP ME

Platelet Rich Plasma

Is the latest innovation in aesthetic medicine and facial rejuvenation. It is a regenerative procedure that uses a concentrated and refined sample of your own blood to stimulate collagen production, promote tissue repair and rejuvenate the skin with stem cells and growth factors.

1st Treatment \$450

Buy package of 3 \$1300

ENERGISE ME

Vitamin B12 Injection \$35

One little shot of B12 may be all you need to reduce stress & fatigue, aid weight loss and improve memory.

Vitamin Complex \$55

Essential for healthy nerve function and healthy nerve sheaths. They maintain skin and eye health and help produce red blood cells in the body to assist with DNA synthesis and repair.

LED LIGHT THERAPY ME

LED Light Therapy

Is a non-invasive procedure that stimulates tissue repair, calms inflammation, reduces fine lines, and reduces bacteria on the surface of the skin with no down time. After one treatment your skin will feel tighter and calmer due to the increased circulation, oxygen and moisture content.

15 minute treatment \$25

30 minute treatment \$50

NEEDLE ME

Skin Needling

Natural treatment to improve your skin texture, smooth wrinkles, fine lines and soften scars.

Single treatment \$350

Prepaid package of 4 \$1260 (Saving 10%)

Prepaid package of 6 \$1680 (Saving 20%)
